

Work experience report

Mr. Gregor Mihelac,
born on 5. November 2000 in Kranj,

Mr. Mihelac worked from 17 June 2024 to 30 September 2024 as an intern in the Bank's department. As part of his work placement Mr. Mihelac was entrusted with the following duties:

- Training in the way Commerzbank manages and assesses credit risk
- Software engineering
- Automating end-to-end processes
- Using Microsoft business suite (Powerapps, powerautomate, pages, lists, copilot)
- AI implementation strategies for the bank
- Presentation on Demystifying AI during Risk Conference

During his work placement, Mr. Mihelac consistently exhibited a remarkably high level of commitment and motivation. Thanks to his extremely strong interest in the job's specific topics and his extraordinary abilities, he very quickly acquired outstanding practical knowledge.

Mr. Mihelac was a highly conscientious and independent trainee. He consistently performed the tasks assigned to him very promptly, and his co-workers always appreciated his reliable way of working and helpful cooperation.

We were always extremely satisfied with his performance in terms of its quality and quantity. His behaviour towards customers, managers and co-workers was exemplary at all times.

Today, Mr. Mihelac concludes his work placement at the Bank as agreed. We thank him for his consistently excellent work and wish him further success in both his professional and private life.
