

Certificate Voluntary Commitment

To Whom It May Concern,

Mr Gregor Mihelac, born on 05.11.2000 with residence in Mannheim, has been a member and actively engaged participant in the University of Mannheim accredited GDG Mannheim. He has played a crucial role as the Tech Lead Team, demonstrating exceptional leadership and commitment.

GDG (Google Developer Groups) is a global program designed to bridge the gap between theory and practice by providing students with hands-on experience in technology, leadership, and community building. Gregor's involvement with GDG has been pivotal in fostering a vibrant tech community on our campus.

Gregor has consistently demonstrated exceptional leadership, communication skills, and an innate ability to manage time and resources effectively. His networking skills, improved leadership abilities, negotiation prowess, and public speaking acumen have been evident in every endeavor he undertakes. His disciplined approach to his responsibilities sets a commendable example for his peers. His dedication to our organization has been evident through his commitment of four hours per week for two consecutive semesters (HWS 2024, FSS 2025).

Gregor's leadership as Tech Lead has been exceptional, ensuring precise execution of projects and flawless event organization. We sincerely appreciate his dedication and professionalism at GDG Mannheim, University of Mannheim.
